

Sustainers Fund

Research Foundation thought leadership is needed now, more than ever, to address the near and long-term issues facing the commercial real estate industry. Contributions to the **Sustainers Fund** are essential for the Foundation to meet the growing demand for practical research and analysis in these challenging times.

Support the Foundation's work by contributing to the Sustainers Fund.

Examples of cutting-edge Research Foundation reports:

The New Borderless Marketplace: Repositioning Retail and Warehouse Properties for Tomorrow

How Office, Industrial and Retail Development and Construction Contributed to the U.S. Economy in 2011

The Complexity of Urban Waterfront Redevelopment

Complimentary Research Report Download

All reports produced by the NAIOP Research Foundation are available for complimentary download on the Foundation's website - www.naioprf.org.

Industry success depends on you.

"The work of the Foundation is absolutely essential to anyone involved in industrial, office, retail and mixed-use development. The Foundation's projects are a blueprint for shaping the future and a road map that helps to ensure the success of the developments where we live, work and play."

Ronald L. Rayevich, Founding Chairman
NAIOP Research Foundation

Contributors to the **Sustainers Fund** who donate by **December 31** will be recognized in the NAIOP Research Foundation's annual report and on the Foundation's website.
