

NAIOP University Membership

Give your commercial real estate students access to the knowledge and connections that will propel them from classroom to career.

Benefits for Students

Full-time students enrolled and pursuing a real estate-related degree at a college or university will receive NAIOP membership benefits.

Chapter Meetings and Events

NAIOP's 54 chapters across North America offer students opportunities to participate in educational programs and social events, make valuable professional contacts, and access exclusive project tours and industry insights.

Membership Directory

NAIOP's online, fully-searchable membership directory makes it easy to connect and create new relationships with 21,000 of the industry's top developers, owners, investors, brokers and other professionals.

Career Center

Looking for a job and opportunities for career advancement? NAIOP provides students with access to an industry job board and detailed information on career pathways in commercial real estate to help them break into – and thrive – in this industry.

Knowledge and Education

Students receive significant discounts on NAIOP's popular on-demand educational courses, free access to NAIOP webinars, the NAIOP podcast, and valuable NAIOP research so they can learn from experts in the industry about commercial real estate news, research, trends and more.

Exclusive Access to CRE Scholarships

Graduate and undergraduate students holding a NAIOP membership through their university are exclusively eligible to apply for the NAIOP and Prologis Student Scholarship.

Graduate student scholarships are \$5,000; undergraduates receive \$2,500. Both scholarships include complimentary registration to attend NAIOP's CRE.Converge annual conference, and graduate students receive a travel stipend.

SPECIAL UNIVERSITY BENEFITS

A dedicated feature on our website highlighting your academic program with a direct link.

20% discount on an exhibit booth at any NAIOP Corporate conference.

Is University Membership Right for You?

ELIGIBILITY: Colleges and universities offering undergraduate and/or graduate programs in real estate or concentrations in real estate are invited to become university members.

COMMITMENT: The college/university maintaining a university membership must designate a current employee (not a student) affiliated with the institution to serve as the point of contact for the membership.

FEES: University membership fees are based on the number of students in your program.
