

# Commercial Real Estate Development Provides Valuable Contributions to the U.S. Economy

## National Snapshot:

- \$465.0 billion to the national economy (GDP).
- 3.3 million American jobs created and supported.
- 410.1 million square feet of office, industrial, warehouse and retail space built.
- New space for 1.1 million employees — with far-reaching economic benefits to the U.S. economy.

Commercial development is expected to strengthen over the remainder of this decade, supporting GDP gains and providing a foundation for the U.S. economy's continued expansion.
